

2017 MMS Plus Woman of Fortune Hall of Fame

...Bridging the value gaps

■ Role Modeling ■ Capacity Building ■ Leadership

Nomination

The MMS Plus Woman of Fortune Hall of Fame (WoFHoF) Initiative induction is to celebrate the sterling qualities and achievements of noble women, who are expected to provide the opportunity to produce future leaders through match-making mentors and mentees, via the provision of mentoring support to the younger generation by highlighting the virtues of hardwork, professionalism, perseverance, creativity and integrity.

Nominations

Nominations are now open for the 2017 induction into the Hall of Fame. Below are the procedures for nomination.

NOMINATION PROCEDURE

Who Can Be Nominated?

Nomination will be accepted for any eligible woman whose sterling qualities and contributions have had a profound positive impact on the Maritime/Shipping, Aviation, Finance, Logistics, Oil & Gas sectors, Political leadership and the country as a whole.

Eligibility Criteria

- Character,
- Leadership by impact
- Outstanding accomplishments

How To Make Nomination

- Nominations are made by completing a Hall of Fame nomination form below.
- An induction candidate's file will become active when the completed nomination form is received.

- No limits to the number of times a nominee may be considered. All nominations shall be valid for 2 years and may be considered annually by the Nomination Committee along with new nominations.

- Nomination does not imply induction into the MMS Plus Woman of Fortune Hall of Fame. Induction is determined on a yearly basis by a "selection committee". If you know of a person who deserves to be nominated, please nominate her or you may submit additional nomination forms for the person previously nominated.

- Merited nominees are chosen from a shortlist of nominated nominees after the close of an open and transparent nomination process.

Criteria for Induction

The MMS Plus Woman of Fortune Hall of Fame is meant to honour individuals who have made a difference, people who have made impact in the society; people who are symbol of inspiration in their environment and to the younger generation. The Hall of Fame also seeks to recognize and honour outstanding achievements of individuals who have made contributions to the promotion and growth of the Maritime/Shipping, Finance, Aviation, Logistics, Oil & Gas and Political leadership sectors in Africa.
